Chamber of Commerce

90 Years
PAVING THE WAY
TO THE FUTURE

Cement your place in the history of the Salisbury Area Chamber of Commerce

Since 1920, The Salisbury Area Chamber of Commerce has been a leading force for the improvement of The Lower Shore and support for the business community. We have been richly blessed with many wonderful leaders of our organization over this time. During 2010, the Chamber is celebrating this rich history and taking time to recognize all of those past and present leaders who have helped “pave the way”.

We hope to achieve a dual purpose of enhancing the Chamber Business Center by repairing our exterior sidewalk and repaving the parking lot. The sidewalk upgrades include a plaza with pavers that can have your name and/or company engraved, a Presidential Patio with benches and landscaping. The pavers are for sale and can be used to show your support for the Chamber, remember friends or family, or leave a message. Funds from these pavers will not only be used for the parking lot and sidewalk, but to create a reserve fund for future maintenance.

Pavers come in three sizes, 4” by 8” for \$90, 8” by 8” for \$190 and 12” by 12” for \$490. Will you help us honor our past and prepare for the future?
