

Vision Care Program

FOR EMPLOYEES AND THEIR FAMILIES

A joint program has been created by the Salisbury Area Chamber of Commerce and Accurate Optical that allows our employees and their families to receive a substantial discount upon the purchase of certain eyeglass frames and lenses from Accurate Optical.

This discount program is available to you and your family through this company's membership in the Salisbury Area Chamber of Commerce.

The only requirement to receive the discount from Accurate Optical is to present an identification card at the time of purchase. There are no forms to complete or delays in the transaction. The discount is substantial and immediate.

Ask your Supervisor, Department Manager, or Human Resources Department for the use of an identification card.
